Thank you for helping celebrate the American Football Association’s 34th Annual Semi-Pro Football Hall of Fame Induction Dinner

“Semi-Pro and Proud”
Where Semi-Pro Football Legends Live Forever!

The AFA is proud of the fact that we are on our 34th year of operation as the national association for Semi-Pro football teams and leagues in the United States. We are a 501(c) tax exempt, non-profit corporation dedicated to the advancement of the Semi-Pro (adult amateur), non-professional level of America’s greatest sport . . . FOOTBALL!

Our staff is made up completely of volunteers anxious to keep the memories of those who have played, coached, officiated, administrated on the team or league level and, or otherwise contributed to the advancement and awareness of semi-pro football across the country—for more than a century.

Over the past 34 years, the American Football Association has inducted 691 individuals that spent most of their football careers on the semi-pro level of the sport all for the love of the game. Their unselfish contributions to our level of the game will be remembered forever by their fans, family, former teammates, and those who follow their football leadership in the future.

Thank you for attending and helping us honor the “Class of 2014”

Letter from the President

Greetings & Welcome to Our 34th Annual Hall of Fame Inductions

On behalf of our Board of Directors, I would like to welcome you to our 34th Annual Hall of Fame Inductions. We are again extremely honored to acknowledge this year’s inductees and allow them to share with you their journey and contributions to this level of the sport. We are even more excited about the opportunity to again have as our venue this year, the Pro Football Hall of Fame. We encourage you to take in all of the museum’s history and enjoy the experiences that it offers.

The annual task of reviewing hundreds of semi-pro candidates for recognition and subsequent induction into the AFA’s Hall of Fame is extremely gratifying. It’s exciting to review shared experiences, bios and establish connections at our level of football. The continued growth of our football family is as a result, is amazing. After the selections were made, I took the opportunity to do some deeper research of the historical/newspaper archives and Wikipedia. As a result, I found that this year’s class of inductees consist of military war veterans, an AFA All Star from the 90’s, a player who appeared in the movie “Rudy”, a participant from the Ron Real’s Semi-Pro Superbowl in New Orleans, Indoor Football League all stars, a former NFL player and another inductee whose father played for the NFL. I have encountered a level of humility among our inductees that commands the utmost respect.

My goal of promoting our brand and realizing the vision/pioneering of our founder, Ron Real becomes more evident each time I reach out to folks around the nation. Ron touched so many lives and just never realized it. This is all very humbling but is also the most satisfying part of my job as the organization’s president, to see Ron’s dreams realized.

I would like to acknowledge our Board of Directors for their guidance and teamwork during our planning process over the past few months. As we continue to build on lessons learned each year, we sincerely hope that you have the most positive of experiences at our event. Please take advantage of our official organization fund raisers at this event such as raffle and sports memorabilia auction. Also check out our monthly online auction (www.biddingforgood.com/AFAWeeklyAuction) for a more comprehensive listing of items ranging from exotic vacation getaways to sports memorabilia, which are guaranteed to delight and surprise. Feel free to share this info with your friends, family, community.

The American Football Association remains committed to our mission to keep alive the memories of those who have played, coached, officiated and administrated on the team or league level. Our objective is to ensure that our semi-pro/minor league player’s unselfish contributions to our level of the game are remembered forever by their fans, family, former teammates and those who follow their football leadership in the future.

Feel free to reach out to our staff during this event with any +/- concerns.

AFA CREED:
If you can’t move a mountain . . . then move a grain of sand
If you can’t reach a million people . . . then touch a single hand
If you can’t impress them all . . . then impress only those who answer your call Semi-Pro and Proud® is what we are . . . that’s what makes the AFA the best by far

—Ron Real, Founder

Sincerely,
Dave Burch
AFA President
